

The Complete Idiots Guide to Computer Basics (2nd Edition)

The Complete Idiots GuideA (R) to Computer Basics, Second Edition will build from the previous edition on teaching PC users the kind of computer capabilities that can enrich their lives and make their PC system one of their most beneficial tools in the home or office. Even more than The Complete Idiots GuideA (R) to PCs, this a how to book that takes an application- and task- specific approach to computers.
