

## Dances With Turtles: You Cant Make This Stuff Up!

Laugh until you cry! That's what author Russell Thornberry promises his readers, and justifiably so! As Thornberry notes on the cover, You cant make this stuff up! His personal, anecdotal accounts of his adventures in the great outdoors (and sometimes indoors) will tickle the funny bone of anyone who possesses a minimum of living brain cells. As a former guide and outfitter, editor in chief of Buckmasters Magazine, author of eight books, singer/songwriter/recording artist, humorist and pastor, Thornberry is well equipped to make you laugh. He says, There is nothing funnier than the human condition. Its an endless source of hilarity. Everyone needs a good laugh whether they know it or not!
