

## A Deep Green War (The Mill Meacham Stories Book 2)

In this gritty, sometimes satirical novel, U.S. Forest Service Law Enforcement Officer Mill Meacham gets caught up in an invisible war between her agency and deadly eco-terrorists. While she and her friends struggle and die, power-hungry Forest Service leaders let control over America's natural resources slip away. This story drives home what happens when eco-conflicts become eco-war. The second Mill Meacham story.
