

# Get the Most from Your Digital Camera: The Ultimate Guide to Digital Cameras, Software, Printing and Technique

Applicable to all digital cameras from the most basic compacts on up. From basic information about what a digital camera can do, to simple and easy-to-follow methods of touching up your photographs, *Get the Most from your Digital Camera* gives invaluable tips and ideas on using digital photography to its full potential. It explains the basics, tells how digital cameras work, plus offers information about image files, how to take better pictures and how to manipulate them. Readers will find detailed information on how to print the best digital images, arrange them into electronic albums, send them by email or post them on a website, as well as learn how to perform a host of other tasks not possible before the advent of digital cameras.
