

SIR FRANCIS-LORD OF DESTINY

Sir Francis Lord of Destiny is presented as a Screenplay in Novel Format. In 1938, Marie Bauer-Hall arrives in Williamsburg, Virginia, with a crew of archeologist, in quest of the Vault of Lord Francis Bacons literary treasures. With the arrival of college students interested in the story behind the dig, Marie begins her narration in the year 1560. The Story of Francis Bacon takes place over a period of 300 years! Sir Francis Bacon is actually the secret son of Queen Elizabeth I & the Queen even has a 2nd son, known as Robert Devereux, the Earl of Essex! Both offspring were classified as state secrets and forced to hide their relationship with the Queen and her secret husband, Lord Robert Dudley, the Earl of Leicester! Unfolding the story, begins with Francis Bacons childhood and education. Early in his life, foster parent, Nicholas Bacon, impresses the value of anonymous authorship! Then the beginning of his career in the Queens England. Her refusal to recognize him as Prince Consort, to enable his marriage with a French Princess, Marguerite, causing him to retaliate by writing the Shakespearean Plays and utilizes the mask of Will Shakespeare, to present the plays to the world, while forming the secret societies of the Rosicrucians and the Freemasons! His Brother, Robert, Earl of Essex, grows up and plans to Succeed to the Throne of England. Blocked in every way by the treacherousness of the Queens own advisors, even after becoming a national hero and statesman, he is persecuted and found guilty of treason and executed on the axe mans block! The Queen, being misled by her advisor, Cecil, and others, finds out the truth of Her Sons innocence, and dies herself while grieving his death! Then the Reign of King James and Lord Francis Bacons marriage, to his young bride, Lady Alice Barnham, their relationship, and his service to England. He completes all his

literary goals, including the writing and publishing of his known and anonymous works! He edits the King James Version of the Holy Bible. Ultimately, Lord Francis Bacon designs a Vault to contain all his literary treasures, and temporarily hides it in England and then feigns death and leaves England at the age of 66 years old. Going to the European Continent, in Germany, conducts Alchemical research and discovers an Elixir of Rejuvenation. Fasting on distilled water and taking the Elixir for a period of 40 days, he achieves complete rejuvenation and appears as a young man in his mid-thirties! Now with a new lease on life, he sets out utilizing many different masks, such as Prince Rakoczy, the Comte de St. Germain, and the Professor, to hide his identity while laying the foundations for a new and better world! He travels to Holland, Germany, Hungary, Russia, China, Tibet, India, Italy, Spain, France, back to Tibet and England, and ultimately to America! In Tibet, meets Dalai Lama and a Tibetan monk who becomes his aide on his further journeys. They travel back to England and retrieve the Vault and ship out to America. Arriving in Williamsburg, Virginia, they temporarily hide the Vault in the old Bruton Church. Now known amongst the Freemasonic leaders as the old Professor, Lord Bacon aids & inspires the Founding Fathers in the creation of the new American Nation! He inspires the signing of the Declaration of Independence with an oration at Philadelphia Hall, stays with Washington at Valley Forge giving him encouragement before and after Washingtons vision of the Goddess of Freedom and his green skinned extraterrestrial encounter. And later after the Revolutionary War ends and the National election of the 1st President and staff, Bacon inspires and aids in the planning of the Nations Capitol City. With the completion of his goals & realizing that the nations citizens must govern themselves, he retires to the Williamsburg vicinity & completes his Journals. He relocates Vault & at long last, dies. Story

concludes in 1938.
