

The Widows Brownies

First, I must explain that I make the worlds best brownies, so I have been told. Before I was a widow, everyone loved my brownies. I gave them to anyone who helped me in exchange for their service. I also gave them as a gift for most occasions. If I needed a birthday, a get well, a thank you or any other gift, I gave brownies. Everyone loved my brownies. Becoming a widow was an entire new world. The men I dated did not want brownies for dessert. They had other ideas. To start dating at 65 was an experience I cant wait to share with you. . . so read The Widows Brownies and come into my new world just for a little while. Hopefully, when you see a plate of brownies you will just laugh and think of me.
