

Interactive Systems. Design, Specification, and Verification: 13th International Workshop, DSVIS 2006, Dublin, Ireland, July 26-28, 2006, Revised Papers (Lecture Notes in Computer Science)

This book constitutes the thoroughly refereed post-proceedings of the 13th International Workshop on Design, Specification, and Verification of Interactive Systems, DSVIS 2006, held in Dublin, Ireland in July 2006. The 19 revised full papers presented together with one keynote paper, and two working group reports were carefully reviewed and selected from 57 submissions during two rounds of reviewing and improvement.
