

PROFESSOR BUDDHA

Author Denver E. Long takes the reader on a life long spiritual journey that twists and turns in ways that will surprise and delight. Professor Buddha provides the reader with an insight into the mind of a very curious little boy who, as he grows, learns to harness the power of his dreams. He takes the reader along on an adventure that stretches across four continents in his pursuit of the truth and his perfect mate. Along the way he finds himself in amazing and sometimes dream situations that redefine what we believe is possible in life. Professor Buddha is a true story that will make you laugh and it will make you cry. But most of all, it will make the reader think about life in ways that perhaps were never considered before. Professor Buddha provides a simple lesson for anyone willing to follow their dreams, live their life to the fullest and change the world for the better.
