

Ruth, Sister of Jesus. Stories of Ruth and Michael.

These are 32 stories of Ruth, the sister of Jesus, her husband Michael, and the others who lived in the village over 2000 years ago. Perhaps the hardest thing to describe was how these stories of Ruth and Michael came about. I would be taking notes when, all of a sudden, Patte would go into a trance and become Ruth, the sister of Jesus (Jesuvit), who lived 2000 years ago. I had a little tape recorder that I kept with me constantly. I used it to record our conversations. When Patte would say the first words, I knew it was time to start recording. She normally would start a story by saying, My husband or, Michael, Michael in a voice I would immediately identify as Ruth. I would respond as Michael, the husband of Ruth. In reality I was Earl Pettibone in 1978-1979 responding as Michael, the husband of Ruth, who lived 2000 years ago. Hopefully that will explain some of the remarks I would make during this modern era that confused the Ruth of ancient times.
