

## Im Not Alone (Im Just Single)

This book has been compiled to bring a smile to your face... or at the very least, help you to understand that you are definitely not alone - even if you are single. The following are the blog entries of Calia Roze. After writing down her thoughts, she found that many people share her feelings about being single and experience similar adventures in the world as they go it alone... for now...Read one a day, or read it cover-to-cover!
