

## Shouting Your Way to Victory

Don't miss out on reading Pastor Bob W. Dinkins' first book on how to become a winner! It will re-energize your spiritual life and give you the keys to total victory in every area of your life. In it, Pastor Dinkins sets forth a step by step plan to lead you and your local assembly into total victory in the plundering of Satan's strongholds. This book is a veritable battle plan of strategic spiritual warfare. In these last days of pervasive wickedness in high places, no church can survive without it. Pastor Dinkins discusses the strength, proper timing, and locational vantage points of the victory shout as the means to demolishing the Jericho walls that stand between you and your victory.
