

Kokomo, Indiana (IN) (Images of America)

According to legend, Kokomo, Indiana was named after a Miami Indian Chief who lived in the area, Ma Ko Ko Mo -meaning Black Walnut. Founded in 1842 by David Foster, a frontier trader, Kokomo has since become the home to many of the nations most influential inventions. From the birthplace of the automobile to the introduction of stainless steel and the development of canned tomato juice, Kokomo has been a leader in ingenuity, earning its nickname, the City of Firsts. In this collection of reminiscent images, Kokomo, Indiana illustrates the charming history of an area which has developed from a small community to what is now one of the largest cities in Indiana. The book is an exploration of the citys streets and a stroll through the history of its growing neighborhoods, tracing the fascinating past of a bygone age.
