

The Worst-Case Scenario Survival Handbook: Work

Work is bad enough, but what if things go really wrong? Hiding under your desk is not enough. Be prepared for the crises that lurk in the office, on the loading dock, in the lunchroom, and out on the sales floor. From savage bike messengers to a bag of pretzels stuck in the lunchroom vending machine, peril is everywhere. Learn how to sneak out of a meeting, treat a deep-fryer burn, and survive a stockroom avalanche. Expertly remove a dent from the company car, extract a tie caught in the photocopier, and survive a workplace romance. Hands-on, step-by-step instructions guide you through these and other crises that can strike between 9 and 5, or on the swing shift. With an appendix of useful interview phrases, a career-path decoder, instructions for playing Jargon Bingo, and more, this is the one desk reference you cant live without.
