

Tocatta and Fugue in D Minor: for Solo Violin

(LKM Music). Transcribed for solo violin by Stuart Carlson In this impressive transcription Carlson captures much of the sound and power of the organ and offers it to solo violin. This arrangement requires double stops, accents, jumping across strings, high left-hand work, and dramatic flourishes with the bow and with chromatic left-hand runs...The advanced student or professional will surely enjoy bringing this classic to life.-- American String Teacher
