

Winning Chess Traps for Juniors: Tactics in the Opening; Large Print Edition

In *Winning Chess Traps for Juniors*, nationally-renowned chess coach Robert M. Snyder takes his Chess for Juniors book a step further by covering sixty-four additional opening traps. Traps are arranged by opening to help students improve their knowledge of the most important openings. Traps contain important tactical themes designed to improve pattern recognition. Students are challenged at various points to find the best move. Written for the beginner to intermediate player-this book is clear and easy to read, though not just for juniors!
